Purpose

Continuous improvement is an essential component of operating a training and assessment system that meets or exceeds defined quality standards.

DTW Designs (Qld) Pty Ltd is committed to providing high-quality training and assessment that is relevant to clients, employers and industry and meets the requirements of the Standards for Registered Training Organisations (SRTOs 2015). DTW Designs (Qld) Pty Ltd is required to systematically monitor, evaluate and improve its training and assessment practices through continuous improvement practices.

The object of this policy is to provide a mechanism for DTW Designs (Qld) Pty Ltd to systematically and continually review and improve its systems and practices (including policies and practices), as well as training and assessment products and services to meet compliance with the Standards Registered Training Organisations.

Policy Statement

DTW Designs (Qld) Pty Ltd is committed to the continuous improvement of its training and assessment system, strategies and practices, products and resources to ensure ongoing quality delivery and compliance with the Standards for RTOs.

DTW Designs (Qld) Pty Ltd will:

- implement and maintain strategies and practices to systematically monitor its compliance with the Standards for RTOs;
- review and evaluate its training and assessment strategies and practices (using various processes) including those offered by a third party;
- utilise the outcomes of all monitoring and evaluative processes to inform and continually improve training and assessment strategies and practices.

Policy Principles

Underpinning Principles

- a) DTW Designs (Qld) Pty Ltd continuous improvement approach is systematic, involves staff, clients and other stakeholders, and uses qualitative and quantitative data to determine the need for improvement to the RTO's services, operations, practices and systems.
- b) DTW Designs (Qld) Pty Ltd continuous improvement focus areas include, but are not limited to:
 - i. Training and assessment products and services;
 - ii. Training and assessment resources, tools and instruments;
 - iii. Facilities and equipment;
 - iv. Policies, procedures and practices;

- v. Management/operational systems;
 - vi. Strategic/business plans;
 - vii. Staff performance, competencies and professional development;
 - viii. Third-party arrangements.
- c) Continuous improvement is ongoing and may be planned or unplanned, occurring as often as identified and required.
- d) All staff are encouraged to report any opportunities for improvement to the Managing Director in writing as they identify them. Staff are to provide any information and data they have collected to support their recommendations, so it can be analysed and acted on accordingly.
- e) Staff recommendations are reviewed by Managing Director DTW Designs (Qld) Pty Ltd at the regular staff meetings.
- f) Improvements may be implemented immediately or at an appropriate time, depending on the urgency and circumstances, action and subsequent effect to other operating systems and practices.
- g) Continuous improvement actions are recorded and maintained on the "Continuous Improvement Register".
- h) DTW Designs (Qld) Pty Ltd identifies areas of continuous improvement for all areas of its operations through (but not limited to):
- i. Training and assessment outcomes;
 - ii. Client feedback on training (See Evaluation Policy);
