The Gap Queensland 4061

Intentionally left Blank

Purpose

DTW Designs (Qld) Pty Ltd is committed to providing quality training and assessment following the Standards for Registered Training Organisations (SRTOs 2015). As such, DTW Designs (Qld) Pty Ltd is required to comply with relevant Federal, State and Territory laws, including that relating to Workplace Health and Safety.

The purpose of this policy is to ensure DTW Designs (Qld) Pty Ltd complies with relevant Commonwealth, State and Territory Work Health and Safety Acts and regulatory requirements that are relevant to its operation and Scope of Registration.

Policy Statement

DTW Designs (Qld) Pty Ltd is committed to providing a learning environment which is free from safety and health hazards and that all staff, clients and visitors are fully informed of these safety and health requirements including Emergency Procedures that affect their duties or participation in vocational education and training.

DTW Designs (Qld) Pty Ltd will:

- Provide staff, clients and contractors with a safe and healthy learning environment;
- Provide a safe and healthy workplace to allow all our employees to perform their tasks to their maximum potential, safely and efficiently; and
- Comply with relevant laws, regulations and standards.

Policy Principles

Underpinning Principles

- a) DTW Designs (Qld) Pty Ltd uses a consultative and participative approach with employees regarding Workplace Health and Safety.
- b) DTW Designs (Qld) Pty Ltd considers Risk Management a top priority in all activities on and off-site and WHS is a key element of this risk management. Communication within all levels of the organisation ensures everything from clearly marked exits to spill signage and evacuation plans forms the basis of a comprehensive approach.
- c) The Managing Director of DTW Designs (Qld) Pty Ltd conducts bi-annual Safety Risk Audits and enters any identified Actions into the Continuous Improvements Register. This includes an Action Date and a Date Closed so that the Administrative Officer can follow up any issues with the Managing Director.
- d) DTW Designs (Qld) Pty Ltd always plans for and monitors its employees and clients wherever they are working.
- e) Evaluation of WHS matters is discussed in the regular meetings.
- f) DTW Designs (Qld) Pty Ltd provides ergonomic equipment always.
- g) Safe use of equipment is discussed at regular staff meetings.
- h) Safe plant and equipment are provided and maintained by DTW Designs (Qld) Pty Ltd.
- i) Environmental protection is a DTW Designs (Qld) Pty Ltd concern including disposal of various types of materials from the administrative areas to industrial waste where relevant.

Management of Workplace Hazards / Risks

- a) DTW Designs (Qld) Pty Ltd conducts regular safety inspections in the workplace.
- b) Trainers/Assessors must undertake a safety inspection of the training and assessment environment before commencement each day.
- c) Hazard may be identified at any time and are to be reported to Director DTW Designs (Qld) Pty Ltd immediately.
- d) Hazard Management will include:
 - i. Hazard identification;
 - ii. Risk Assessment;
 - iii. Risk Control; and
 - iv. Monitor and Evaluation.

Reporting Accidents and Incidents

- a) All accidents and incidents must be reported immediately to Director DTW Designs (Qld) Pty Ltd.

Emergency Management Plan

- a) In the event of an accident or incident, emergency management plans must be followed. These may include:
 - i. Administration of First Aid;
 - ii. Organising Medical assistance (Paramedics, Doctors, Transport to Hospital/Medical facility);
 - iii. Bomb Threats protocols;
 - iv. Evacuation protocols;
 - v. Hazard Corrective actions.

DTW Designs (Qld) Pty Ltd Responsibilities

Primary Duty of Care – DTW Designs (Qld) Pty Ltd

- a) DTW Designs (Qld) Pty Ltd will:
 - i. Provide and maintain safe work areas and systems of work; adequate facilities and amenities
 - ii. Monitor the work environment to maintain safe working conditions
 - iii. Provide adequate information and training to workers regarding workplace health and safety (including ways of reporting health and safety issues)
 - iv. Keep information and records relating to the health and safety of their employees
 - v. Nominate a person at the appropriate level to be the employer's representative when health and safety issues arise.
 - vi. Ensure that an appropriate person is nominated by the workers to be the employee representative when health and safety issues arise.

Primary Duty of Care – Employees and Clients

- a) All employees and clients have a primary duty of care to:
- i. take reasonable care for your health and safety and for the health and safety of anyone else who may be affected by your acts or omissions at the workplace; and
 - ii. co-operate with your employer or trainer concerning any action taken by the employer or trainer to comply with any requirements imposed by or under this Act;
 - iii. not wilfully or recklessly interfere with or misuse safety equipment that is provided; and
 - iv. not wilfully put at risk the health and safety of others.

Legislation

- a) DTW Designs (Qld) Pty Ltd must abide by the Work Health and Safety Act 2011.
- b) The legislation provides a balanced and nationally consistent framework to secure the health and safety of workers and workplaces by:
- i. protecting workers and other persons against harm to their health, safety and welfare through the elimination or minimisation of risks arising from work; and
 - ii. providing for fair and effective workplace representation, consultation, cooperation and issue resolution concerning work health and safety; and
 - iii. encouraging unions and employer organisations to take a constructive role in promoting improvements in work health and safety practices, and assisting persons conducting businesses or undertakings and workers to achieve a healthier and safer working environment; and
 - iv. promoting the provision of advice, information, education and training concerning work health and safety; and
 - v. securing compliance with this Act through effective and appropriate compliance and enforcement measures; and
 - vi. ensuring appropriate scrutiny and review of actions taken by persons exercising powers and performing functions under this Act; and
 - vii. providing a framework for continuous improvement and progressively higher standards of work health and safety; and
 - viii. maintaining and strengthening the national harmonisation of laws relating to work health and safety and to facilitate a consistent national approach to work health and safety in this jurisdiction.

Records Management

All documentation from Workplace Health and Safety processes are maintained under the Records Management Policy. (See Records Management Policy)
